**Falcone Global Solutions earns multiple nominations for 2012 Governor's International Awards**

**Atlanta, Georgia** Falcone Global Solutions, LLC, a world-leader in international freight forwarding, transportation and global logistics solutions, is pleased to announce it has received multiple nominations for the 2012 Governor's International award in the categories for New Company of the Year and the International Trade Award. In partnership with the Atlanta Business Chronicle, The Governor's International Awards are the fourth annual international business event of the year that honors companies that drive Atlanta's worldwide business growth.

"On behalf of the staff at FGS, LLC, we are humbled and honored to be included among the elite group of nominees that represent international business pacesetters and catalysts for business growth in the city of Atlanta and state of Georgia," said John Falcone, FGS, LLC Chief Solutions Officer. "We continually strive to provide our clients with 100% error free transportation and logistics services throughout the globe for any mode of transportation with speed, reliability and accuracy."

**About Falcone Global Solutions, LLC:**
